Message from the Chair

As we enter the New Year, I'm grateful to our faculty, trainees and staff as they have continued to provide high quality patient care through every facet of our department, innovate and advance research in neurologic diseases.

Take some time to look at the pictures from our holiday party earlier this month. We could not have asked for a better location than the Pittsburgh Golf Club - it was a beautiful venue and it was great to see everyone mingling with each other in a casual setting. Thanks to everyone for their continued hardwork and dedication throughout the year!

Please enjoy this special edition of *Neurology News & Notes*, and have a happy holiday and a safe and healthy New Year.
